12th August, 1960.

Dear Sirs,

S.S. "INGEROIS"

With reference to the entry for this ship in the Special Reasons List No. 175, I shall be glad to learn what definite arrangements have been made to deal with the condition of class outstanding to complete the Main Boiler Survey and to entitle the ship to the notation MBS 12.59.

According to the records in this Office the ship was last examined in drydock by the Society's Surveyors in January, 1959, and information is also requested as to the Owners' intentions with regard to a further Drydocking Survey.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HELSINGFORS.
