QUESTION

ANSWER

With reference to my classing letter of the 22nd April and your Report No. 13857, I shall be glad to learn what is the present position regarding this case.

I would point out that the results of the drillings carried out by you do not so far appear to have been received.

Date:— 1st September, 1960.

We are informed by the Owners that this tanker has been recently sold for breaking up purposes at Singapore.

Having had such a proposal under consideration, the Owners did not prepare for approval, the usual detailed drawings.
