N.N. 'CARLSHAMN'

"BRALI"

Mmo. F.E. Rpt. 2083

for Norwegian Owners at Oslo.

Port of Registry:- Not yet registered.

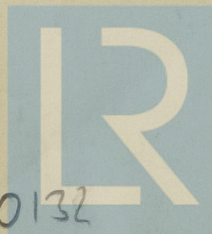

As in the case of the sister vessel "LISITA" the Special Survey has been completed except as regards the trial of the steering gear and windlass under working conditions, and it is not stated when the Survey will be completed.

Only 90% of the fees have been applied for, the balance being left over until completion of the Survey, (see correspondence with Mr. Townshend).

It is desired that the Certificate be sent to the Malmö Office when the Survey has been completed.

The First Entry report has been examined and found in order, (see Mr. Townshend's letter 16.6.42).

It is submitted no action be taken pending completion of the Survey (see also attached endorsement).
