13th September, 1950.

Dear Sir,

Reverting to my Memorandum of the 28th July last respecting Annual Load Line, Annual Classification and Boiler Surveys of the Steamer "TROODOS" I shall be glad if you will be good enough to let me know whether it has yet been possible to make any arrangements for these outstanding matters to receive attention, in view of the fact that the period of grace allowed by the Regulations of the Ministry of Transport for the completion of the Load Line Survey expired so long ago as the 24th of June, 1950.

Yours faithfully,

Copy GF

Clerk to the
Classification Committee.
