71, Fenchurch Street, E.C.3.

26th June, 1950.

Dear Sirs,

H. Reverting to my letter of the 1st instant in connection with the Annual Load Line, Annual Classification, and Boiler Surveys of the Steamer "TROODOS", I shall be obliged if you will be good enough to state whether you are yet able to arrange for these surveys to be carried out, in view of the fact that the period of grace permitted by the Ministry of Transport regulations for the completion of the Load Line Survey has now expired.

Yours faithfully,

Clerk to the  
Classification Committee.
