Dear Sir,

With reference to your letter of the 14th ultimo respecting the "EMPIRE LIGHT" and "EMPIRE STRAIT", I now forward herewith copies of communications which have been received from the Society's Surveyors at Glasgow and West Hartlepool, from which it will be seen that in the ordinary course of events the builders state the account for the necessary repairs would be paid by them at the end of the guarantee period, and that the defects have been brought about under circumstances not under the control of this Society's Surveyors.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

Admiralty,
