

Donegall Square East,

Belfast, 20th January, 1949.

Dear Mr. Sladden,

I am in receipt of the official letter advising us that the class of the "SPARKLER" will be deleted from the Register Book.

I would refer you to your semi-official letter of the 19th November last in which you mention that you will arrange "for the class particulars to be omitted from next year's reprint of the Register Book." Before advising the Managers as instructed, I would be pleased to have further information as to the course of action you are taking in this case and be in a position to tell the Managers what will appear in the Register Book.

With kind regards,  
Yours sincerely,

Wm Balfour
