Dear Mr Cooper,

Tug "SPARKLER"

The above tug, as you probably know, does not appear in our Register Book. She is listed in a book containing details of vessels built for Admiralty service during the war. We have made enquiries from time to time with regard to Surveys of this ship, and recently we carried out a Survey at Londonderry.

I have been advised semi-officially that in such cases we do not wish to follow up the question of Surveys due, and it will be for you and the Admiralty to make decisions with regard to future surveys.

With kind regards,  
Yours faithfully,

(SGD)

W.M. BALFOUR.

H.H. Cooper, Esq.,  
58 Waring Street,  
Belfast.
