Dear Sirs,

With reference to your first entry report on the new steamer "DENPARK", I return herewith the approved plans of midship section, profile and pillars, and shall be glad if you will amend the plans to agree with the report and the vessel as built.

It is concluded that the frames in the peaks are bulb angles as required but I shall be glad if you will let me know if this is so.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
