16th June, 1916.

Dear Sir,

M.

With reference to the S.S. "DENPARK", built by Messrs. The Greenock & Grangemouth Dockyard Co. Ltd., I have to inform you that the vessel has proceeded to your port for the purpose of having the machinery fitted on board, and that in order to complete the survey the tunnel requires to be riveted and tested by hose; Engine & Boiler casings and bunkers to be riveted, Downton pump to be tested, and the watertight doors examined.

I shall be glad if you will give the case the necessary attention.

I am, Dear Sir,

Yours faithfully,

Secretary.

Mr. J. H. Mackirdy,

DUNDEE.
