This vessel became due for Annual Boiler Survey in September last, and for First Special Survey No.2 in January last.

In a letter, dated 25th ultimo, however, the Owners state they have decided to cancel the classification of the steamer in the Society's Register Book, and the American Committee, who had the case before them on Wednesday, 3rd instant, decided to withdraw the vessel's character from the Register Book and to insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.
