London, E.C. (3)

Dear Sir:

S.S. "Ocean King" sunk by collision at  
Quebec on June 26, 1925.

With reference to your communication of July 24, regarding accident to this vessel, we beg to advise that salvage operations to raise the vessel have been in progress for some time, and we expect she shall be drydocked for survey within the next few days, and in all probability will be again put in condition.

We would ask you to kindly defer taking any steps towards writing this vessel off your Register until the survey is completed and we know definitely what her fate will be.

Thanking you in anticipation,

Yours truly,

St. John Dry Dock & Shipbuilding Company.
