54 "bedardale"  
GLASGOW REPORT No 61150

Port of HAMBURG

14th October 1938.

This is to Certify that

--- Th. Goering ---

the undersigned Surveyor to this Society did at the request of Messrs. Deutsche Werft A.G., Hamburg, attend on the 22nd Sept. 1938 and subsequent dates at their Reiherstieg Works in order to survey during construction an electric welded SIMPLEX BALANCE RUDDER intended for a vessel now being built by Messrs. Blythwood Shipbuilding Co.Ld.Glasgow, Yard No.54.

The Rudder has been constructed in accordance with the approved plan and on completion tested under pressure and found tight.

For identification purposes the Rudder has been marked as follows :

L l o y d ' s

No.80

T.G.12.10.38.

Th. Goering  
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
