The Secretary,  
Lloyd's Register of Shipping,  
LONDON.

Dear Sir,

"S.N.A.6". Yard No. 244:- We confirm arrangements made by Builders of the above vessel on our behalf, for the omission of intermediate steel bulkhead in the forward hold to meet our requirements of clear cargo space, suitable compensation having been approved and provided to qualify the vessel being classed  100 A.L.

Yours faithfully,
