6952 "JOHN AUGUSTUS ESSBERGER" As recommended. Postponement of the Special Survey until 7,59 has now been approved, and I shall be glad if you will inform the Owners accordingly.

RMC. 6938, 51, 55, 68, 93 - As recommended.

6898 "MAKURDI" The contents of this report have been noted. Assignment of class +100A1 "Oil Tanker" "For Service between Lagos and Port Harcourt" is being withheld pending the completion of the machinery. I think it well to add that the report of the General Examination held at Lagos has now been received.

At the same time I have to advise you that although the engines were approved for 270 B.H.P. with a corresponding A.I.P. of 151 lbs/sq.ins. the complete shafting installation was approved for 235 B.H.P. at 1225 RPM., and I shall, therefore,
