Sender's Name:

With regard to your enquiry contained in Classing letters of 25th January and 26th February 1957 concerning ~~⊕~~ "MAJ VINKE" and the continuous machinery surveys of the "Vinke" whalers, I have to report that I wrote to the Cape Town Agents, Messrs. Vinke & Co., S.A. (Pty.) Ltd., on 29th January 1957, but so far have had no reply.

I have today addressed a further letter on the subject, together with a query as to what arrangements are proposed to be made concerning the overdue Boiler Surveys on S.S. "TRUDY VINKE", "ELLY W. VINKE", "ROBERT VINKE" and "NELLIE VINKE" as per London letters of 26th February and 7th March 1957, ref. Classen. (H).

On receipt of a reply from Messrs. Vinke & Co. I shall immediately advise you.
