5th October, 1957.

Dear Sir,

S.S. "JULIAN PRESA"
Your Ref:- JAK/EC.

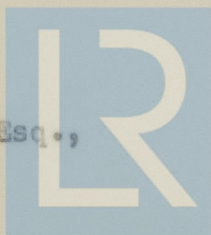

I have to acknowledge receipt of your letter of the 1st October, 1957 regarding the survey recently held at Cardiff on the above named steamer and I have to inform you that all accounts in connection with the survey were settled locally by Messrs. Wilson, Sons & Co., Ltd., on the 28th September.

Our reports on the survey are now being dealt with in London and we are today writing to the Committee to say that we consider your request for the inclusion in our previous recommendations of an Eastern Mediterranean Port as a repair port merits their favourable consideration. I shall communicate with you again on receipt of a reply from the Committee.

Yours faithfully,

John Wormald
Principal Surveyor for the
Bristol Channel Ports.

J. A. Macdonald Kirk, Esq.,
