Dear Sirs,

Steamer "CABO TORINANA"

I have to acknowledge the receipt of your letter of the 3rd instant with enclosed drilling sheet, the contents of which have been noted.

In reply, I have to inform you that the midship thicknesses as ascertained, and the renewals proposed to be effected, will be approved.

The thicknesses of shell plating at ends as ascertained by drilling will require to be forwarded by you, and I have to inform you it is concluded that the equipment is being provided in accordance with Equipment Letter "p".

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
BILBAO.
