Reference

Dear Sir,

S.S. "SHAHRISTAN" - Converting to Oil Fuel Burning.

Enclosed please find blue prints of manhole doors for double bottom tanks at present fitted in the above vessel.

The attention of the Superintendent was drawn to the advisability of fitting studded doors but he would prefer if the Committee sanctions that the present doors be retained.

I shall be obliged if you will advise me at your earliest convenience whether this proposal will meet with the Committee's approval.

I am, Dear Sir,

Yours faithfully,

S. J. Robson

The Secretary,

London.
