Ans'd.

LONDON

Dear Sir,

s.s. "GALLIUM" - Nwc. Machinery Report No. 78098

In reply to your Classing letter of the 25th inst.,
I regret that I have confused Hull and Machinery dates of visits.

There were visits upon June 30th (completion of
pumping arrangements) and upon July 2nd (examination of outside
fastenings, propeller etc. while vessel in drydock).

I shall be glad if you will make these additions to the
machinery report which entitle machinery record of ~~LMC~~ 7-24 and
which make the total number of visits 7.

I am, Dear Sir,

Yours faithfully,

J. R. Beveridge

The Secretary,

LONDON.
