

GLASGOW
42555

No. 6. 1920

20 Tower Building,
Liverpool, 6 November 1920

This is to Certify that

John D. G. B. S. Oxford.

the undersigned Surveyor to this Society did at the request of

Messrs The Liverpool Engineering & Construction Co. Ltd.

attend their Works on the 25 Oct. 1920 for the purpose of

inspecting and testing an Evaporator No. 1258.

to the order of Messrs John Brown & Co. Ltd.

and intended for their No. 597.

Evaporator.

This was subjected

in the presence of the undersigned to hydraulic tests—the shell

to 50 pounds per square inch; and the coils to 100.

pounds per square inch—and found satisfactory.

John D. G. B. S. Oxford

Surveyor to Lloyd's Register

Fee £ 1 1 0

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that—
While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is neither the Committee nor the Society are in any way responsible for any loss or damage caused by any entry in the Register Book or other publication of the Society, or by any omission from the Register Book or other publication of the Society, or by any error in the Register Book or other publication of the Society, or by any error in the Register Book or other publication of the Society, or by any error in the Register Book or other publication of the Society.
