REPORT

Liv.

No. 147326

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—(Extract from Sub-Committee's Report, 24/5/92.).

When due.....

10.57.

The class should be made subject to the six welded tubes in the centre rest of the boiler being dealt with before the end of 10.57. The Liverpool Surveyors advised that outstanding defects affecting classification should always be made the subject of a condition of class, irrespective of any arrangements which have been made for them to be dealt with.
