Sas' all my letter 11/11/54

Dear Sir,

T.S.M. "BROWNS BAY"

Messrs. Kieler Howaldtswerke A.G. as the new Owners of this ship have endeavoured without success to secure possession of the Hull and Machinery Classification Certificates from Messrs. H. Lenaghan & Sons, the previous owner.

They now enquire if we can supply certified copies of the original documents for production to prospective clients.

The ship is laid up pending sale and it is the intention of the present Owners to have the dry docking, Annual Load Line, and Boiler Surveys carried out before the ship is sold and put into service.

The International Load Line Certificate and copy is not available and on completion of the docking and Load Line survey we shall have to apply for a new issue.

Messrs. Kieler Howaldtswerke A.G. are of course in possession of our Rpt. 10, copy of which was forwarded to you on 13th Oct. 1954.

Yours faithfully,

R. G. Hunter

For the Surveyors.

The Secretary,
London
