29th October, 1954.

Dear Sirs,

I duly received your letter of the 25th instant from which I am very pleased to know that settlement of our outstanding fees in the case of the motorship "BROWNS BAY" has now been made by Messrs. Kieler Howaldtswerke A.G.

As promised the Committee have today given instructions for her class to be reinstated in the Register Book, but before carrying this into effect I should be glad if you would let me have any comments you may have to make on the present rather confused position of ownership.

Yours faithfully,

The Surveyors,  
KIEL.
