Dear Mr. Nancarrow,

In reply to your letter of 9th instant regarding a/cs against "Brown Bay", I can confirm that your suppositions are correct.

The ship is held by Kieler Howaldtswerke A.G. as security for the expenses incurred by them in connection with the survey and reconstruction. I understand she is offered for sale by Messrs. Lenaghan at a price approx. of 1600 000,- DM, but so far I heard of only two prospective purchasers whose offers were both below 1.500.000,- DM and these were not accepted.

I am shocked to learn Kiel Office is in the "red" to the extent of £ 810 and I shall let you know immediately I find a sale has been effected.

Yours sincerely,

R.B. Nancarrow, Esq.,
London
