Enclosure

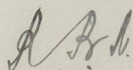

22nd April, 1954.

Dear Sirs,

It is with some concern that I notice that fees and expenses amounting to £810.15.0. are still outstanding for the surveys held on your motor vessel "BROWNS BAY" at Kiel in April to October last. An account, as per the enclosed copy, was first rendered approximately six months ago. A reminder was sent to you on the 17th February last, but without result.

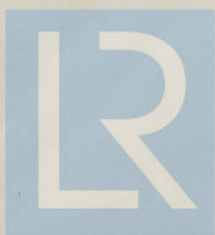

The time has now arrived when I must ask for immediate settlement, failing which the matter will be brought to the notice of the Committee of this Society who, I might remind you, have power under Section 24 of the Society's Rules and Regulations to deal with the vessel's class for non-payment of fees and expenses. I propose to defer taking this step until say, the 14th May, in the expectation that, in the meantime, you will settle the account.

Yours faithfully,

pro Secretary.
