(Ref. H.)

To: The Surveyor(s) at YOKOHAMA

Date: 30th June, 1959.

Vessel's Name: s.s. "JUI YUNG"

## QUESTION

With reference to my letter of the 2nd June and previous correspondence, it is noted from Lloyd's Index that the vessel sailed from Tokuyama on the 12th June for Osaka.

In the absence of any entry for this ship in the Himonoseki Surveyors' weekly returns of vessels under survey, I shall be glad to learn, as soon as possible, what early definite arrangements have now been made to complete the Main Boiler Survey, which became due so long ago as October last.
