ENCLOSURES.

Dear Sir,

We enclose herewith certificate covering the examination and testing of the new H. P. (Lentz Type) Cylinders and the cast steel valves, chests, "T" pieces etc., for the superheated steam installation intended for the twin screw steamer "FORDSDALE" now undergoing alterations in London.

No fee has been charged here and we have to request that a suitable proportion of the total fee be credited to this port on completion of the work.

We are, Dear Sir,

Yours faithfully,
