REPORT No. 51824

GLASGOW, S.W. 1.

3rd October, 1931.

Messrs. The Surveyors to Lloyd's Register,

95, Bothwell Street,

GLASGOW, C.2.

Dear Sirs,

Nos. 534 and 535 (P. & O. Co.)

Referring to your letter of the 7th July, 1930, we desire to confirm that the Owners concurred in the approved arrangements, viz., that the vessels were to be classed 100 A.1 with freeboard corresponding to a moulded draft not exceeding 30'0" for all seasons. We have their signature to that effect.

We trust this puts the matter all in order.

We are,

Yours faithfully,

ALEXANDER STEPHEN & SONS LIMITED
