Dear Sir,

T2 Tanker - "THELIDOMUS"

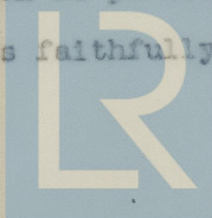

M.

I am in receipt of your letter of the 22nd instant regarding the strapping etc. of the above Anglo-Saxon Tanker, and have to inform you that the scalloping of the longitudinals at the transverse bulkheads, as shown on the sketch in your letter, has been agreed with the Owners.

The Owners also propose to adopt certain alternative arrangements, to those shown on the plans sent on by this Office, in respect of the compensation in way of the tripping brackets and local fractures. These have also been agreed and the Owners will supply a plan of these arrangements, which will be forwarded as soon as possible.

Yours faithfully,

The Secretary,  
LIVERPOOL.
