QUESTION

ANSWER

With reference to the Main Boiler Survey, which became due at the end of April last, I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made for this inspection to be carried out.

Date:— 14-7-1960.

Upon enquiry the Owners inform us that the ship is laid up at Lough Swilley.

In connection herewith Owners kindly request you to be allowed to postpone the M.B.S. until a further decision has been taken with regard to the vessel's destination.
