# LLOYD'S REGISTER OF SHIPPING

Port BELFAST,

7th November, 1960.

This is to Certify that

H. C. MURRAY

the undersigned Surveyor to this Society did at the request of the Owners, examine the tanker "THEOBALDIUS", 10,702 gross tons of London, as she lay afloat in Lough Swilly, Eire, on 31st October, 1960, for the purpose of assessing her fitness for a contemplated voyage to the Clyde and I consider the hull, so far as surveyed, to be in a satisfactory condition for a voyage, in ballast and under tow, from Lough Swilly to the River Clyde where, it is stated, she will be broken up.

The class of the ship is temporarily suspended.

The towage arrangements are the responsibility of the Owners.

SURVEYOR TO LLOYD'S REGISTER OF SHIPPING.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
