## Lloyd's Register of Shipping.

Letricheux Buildings, Adelaide Street,

Swansea, 21st October, 1947.

Dear Sir,

"THEOBALDIUS" ex "Silver Creek".

We duly received your letter of the 4th instant respecting the above vessel forwarding typical drawings relating to the machinery of T2 tankers.

On the machinery side only the boilers were dealt with at this time and our report is being forwarded.

The plans are being retained for our information and guidance in dealing with two further T2 tankers now under survey, the "CHACO CANYON" and the "HOVENWEEP".

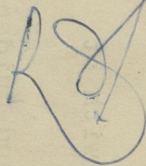

We are, Dear Sir,  
Yours faithfully,  
The Surveyors,  
Per:-

Secretary,  
LONDON.
