# Lloyd's Register of Shipping,

ENCLOSURES

71, Fenchurch Street, E.C.3.

4th October, 1947.

Dear Sirs,

"THEOBALDIUS" ex "Silver Creek".

With reference to your letter of the 20th ultimo and previous correspondence regarding the proposed classification of the above vessel, I have to acquaint you that it has only now been possible to obtain typical drawings relating to the machinery of T2 Tankers, and accordingly it is thought well to forward herewith photostat copies of a complete set for your information and guidance in dealing with the above vessel.

The drawings in question are as follows:

No. E-161-131-1	....	General arrangement of boiler.
E-161-132-7	....	Boiler Pressure Parts.
E-161-133	....	Details of Drum and Muddrum Header.
340-918-3	....	Arrgt. of Bilge & Ballast in E.R. & B.R.
241-918-3	....	" " " " " "
241-923-03	....	Diagram of Cargo Oil Piping in Tanks.
241-869-01	....	Arrangement of Fuel Oil Transfer System.
241-923-04	.....	Diagram of Cargo Oil Piping and Bilge in Main Cargo Room.

It should be noted that two plans of the pumping arrangement are forwarded since it is not clear from the records in this Office which plan relates to the "THEOBALDIUS".

Further the arrangements in the above vessel may differ in certain minor respects from those shown on the plans.

I shall be glad if you will kindly return the above plans to this Office on completion of your survey.

Yours faithfully,

The Surveyors,  
SWANSEA.

*R.P.H.*

Secretary.
