Swansea, 20th September, 1947.

ANSD. 4/10

Dear Sir,

"THEOBALDIUS" ex "Silver Creek".

With reference to your letter of the 19th inst., respecting the above vessel enclosing a skeleton Hull First Entry Report, we beg to inform you that plans are not available on board from which to verify the scantlings and arrangements. The Owners Representative stated that he has requested these to be forwarded to the ship.

The survey outlined in Circular No. 1871 is being carried out as far as possible, however the cargo tanks are not being prepared for examination and testing at this time.

Ent
G.R.B. { The Boiler Survey is now being carried out, and we shall be
ack glad if you will please forward a small supply of Report 5C.

The tail shaft and machinery survey are not being dealt with at this time.

The vessel is expected to leave Swansea about the end of the present month.

The Secretary,
LONDON.

We are, Dear Sir,
Yours faithfully,
The Surveyors,
