

s.s. "EL TIGIL".

23 APR 1930

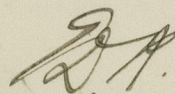

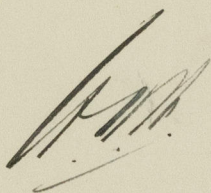

The screwshaft survey became due 2.30.

In reply to enquiry the Surveyor at Port Said forwards a letter he has received from the Owners in which it is stated that as this vessel is the property of the Sudan Government <sup>and</sup> is under constant supervision a special survey is not considered necessary.

IT IS SUBMITTED that in the circumstances the class of this vessel might be withdrawn and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw class.
