Enclosures.

12th November, 1920.

Dear Sirs,

With reference to the ex-German Steamer "WILH. HEMSOTH", which has been purchased by Messrs. The Pentwyn S.S. Co. Ltd., and is now under survey at your port for classification and six-monthly survey, I enclose herewith for your information and guidance London report No. 83697 of survey recently held in drydock on this vessel, together with copies of all previous reports of condition surveys held by the Society's Surveyors whilst the Steamer was in the hands of the Ministry of Shipping.

I also confirm the following telegram which was addressed to you to-day relative to this case, viz:-

"Steamer WILH HEMSOTH write fully tonight how case "stands",

and in explanation thereof, I may say that the Owners have applied for the usual Board of Trade Letter in connexion with the vessel's change of name.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,  
MIDDLESBROUGH.
