16th February, 1931.

Dear Sirs,

T With reference to your First Entry Report No.8405 on the machinery for the Stscl Screw Motor Ship "INDIA", it is observed that the Sunday and Late Fees shown on the report are Kr.85.00 and that charged in the case of the Refrigerating Machinery Survey was Kr.50 making a total of Kr.135, whereas the total amount of late fees charged on these accounts according to your Transcript of Rough Fee Book for the 2nd January would appear to be Kr.110.00.

In the circumstances I shall be glad to learn which figure is correct.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
COPENHAGEN.

Secretary.
