ANSWER

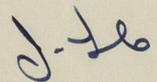

It is understood this vessel is now trading from Grimsby and I shall be glad to learn what arrangements are proposed to be made for the Boiler Survey, due at the end of June last, to be carried out.

The Owners' intentions regarding the Special Survey due at the end of November, will also be appreciated.

Date:— 26th October, 1960.

The Owners' Superintendent informs us that the trawler is still laid up at this port and is likely to be sold, for breaking up in the near future.
