Dear Sir,

And

R.F.A. Tug "Enforcer" - Aberdeen

Report No. 23992.

We have been advised by Glasgow Office that the above mentioned report has not been received at that Office.

According to records in this Office, this report, together with Drawing No. D.N.C. 10/1310 - Sheets 1 - 2 (forwarded with your letter to Aberdeen dated 9th March 1956) were despatched to Glasgow by parcel post on the 13th July 1956, in the same cover as the First Entry Report No. 23991 - M.V. "Nonia".

This latter report and its relative plans were received intact.

We would, therefore, be pleased to learn whether the report and drawings relating to the survey on the "Enforcer" have inadvertently become inserted in the plans of the "Nonia"

In the event of this report and drawings not being located, we shall be glad to learn whether a subsequent report (made from our press copy) should be marked "Duplicate", and whether it is possible to obtain a further copy of the Drawing referred to above.

Yours faithfully,

THE SURVEYORS.
