Re: S.S. "KLAUS OLDENDORFF"

I am in receipt of your communication of the 29th April, 1960 from which I note that the Secrewshaft Survey on the above ship is due in June next and the Boiler Survey by the end of the next month.

As you are aware postponement of the Special Survey on the S.S. "Klaus Oldendorff" has been granted to me until January, 1961. Probably I will not renew the class of the ship after ~~e~~ expiration of the time of postponement and, on account of this I kindly ask you to postpone the above mentioned surveys until that time. Awaiting your approval I remain

Y.f.
