The Secretary .

London.

Sir .

I have forwarded under separate cover the plans of a new steamer in duplicate viz: midship section, profile, and the watertight bulkheads.

This vessel is proposed to be built under special survey for the Society's 100.A.I. class by Messrs A. Vuyk & Zonen of Kapelle a/d Ysel .

The Builders stated that most likely two vessels will be built after these plans under yard No. 457 & 458, which they have already noted on the plans, a sister vessel in hand by the same Builders is Yard No. 456, see Secretary's letter dated 11/5-17 and of which an approved set of plans has been retained in your Office .

I am Sir .

Your Obedient Servant .
