

22nd February, 1951.

My dear Nicholas,

I have your letter of the 19th instant regarding the "ISLE OF SARK" and note that the whole question of the amended Rules for Progressive Surveys has now been referred by Mr. Campbell to Railway Headquarters.

I hope you assured Mr. Campbell that the suggestion that they might adopt this system of survey was only made in their own interests, and that we are quite happy if they prefer to adhere to the existing arrangements.

With kindest regards,
Yours Sincerely,

J.F. Nicholas, Esq.,
SOUTHAMPTON.
