

Enclosure

5th February, 1951.

My dear Mac,

I return herewith the deferred reports in the case of the "ISLE OF SARK" and have no doubt that after reading the statement which went to the Committee last week, you are now quite satisfied that the proposals contained in your letter of the 2nd instant will be satisfactory to the Committee seeing that they have now given their consent to Progressive Surveys of passenger ships being extended to the smaller types such as the one under review.

With kindest regards,  
Yours sincerely,

J. McMillan, Esq.,  
HULL.
