Bank Chambers, 2, Freeman Street,

Grimsby, 23rd January, 1951.

Dear Sir,

S.S. "ISLE OF SARK"

We acknowledge the receipt of your letter dated the 19th instant, and have to state that this vessel has now arrived at Immingham for Annual Refit and completion of the Classification Survey.

From the final paragraph of your letter we note that the classification of the hull has been completed, but would point out that we have been requested by the Repairers to attend the complete opening up and examination of the hull including the drilling of the shell plating etc. in co-operation with the Ministry of Transport Surveyor.

We assume this to be in error and have advised the Repairers that as far as we are concerned the Classification Survey of the hull has been completed.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors,

The Secretary,  
LONDON.
