Dear Sir,

s.s. "ISLE OF SARK"

I acknowledge your letter of the 23rd August, and note that the ship will probably be disposed of towards the end of the present year.

In the circumstances the Committee are agreeable to the Special Survey being deferred until the end of December, 1960, but in the event of any further postponement being desired it will be necessary for a satisfactory General Examination of the hull and machinery to be held, with this in view.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
