Dear Mr. Hunter,

With reference to the Ltr.6 dated 20th instant advising the return of the reports on the Motorship "IRISBANK" from your port, it appears that the crankshaft plan which was forwarded to you was not returned to this Office.

Would you kindly have a search made at your end, and if the plan is unearthed have it sent to this Office.

With kindest regards,

Yours sincerely,

C.N. Hunter, Esq.,
BELFAST.
