Your  
Ref: B/CH.

7th January, 1929.

Dear Sirs,

In reply to your letter of the 4th instant, respecting the preliminary freeboards recently assigned to your yard No. 510, I have to inform you that these were computed on the information supplied by you and any reduction in the final assignment will depend on the tonnage being less than that now estimated.

If it be desired, therefore, to obtain one inch additional draft, it is suggested that a corresponding increase be made in the moulded depth to the second deck.

I am, Dear Sirs,

Yours faithfully,

Secretary.
