The Secretary,
Lloyds Register of Shipping,
LONDON.

Dear Sir,

No. 510.

With reference to the preliminary freeboard received with your letter of the 31st. December, we find on working out the draft that the latter is about 1" less than the owners anticipate.

We trust that when the final figures are worked out, we will be enabled to obtain the desired draft.

Yours faithfully,

pro WORKMAN CLARK (1928) LIMITED,

F. Cunningham

Secretary
