Dear Sir,

m.s. "DOMINION MONARCH"

We thank you for your letter of the 1st instant and as regards the new Owners intentions regarding the classification it is our understanding that they are sailing the vessel from Seattle this month across the Pacific to Japan for demolition.

We presume, therefore, that on the vessels arrival at the breaking up berth the new Owners will wish to cancel the classification, but we are advising them of your request and should they have any further comments, we shall have pleasure in reverting.

Yours faithfully,  
For GALBRAITH, PEMBROKE & CO. LTD.
